## Welcome to Weather-Above

**J Cheddleton Light Seekers What we got up to on 03/11/2009 Nex**

Cheddleton Light Seekers theme was light. The evening began with a game, led by James. Next everybody gathered round to the craft area, we made a star with an LED light in the middle, this was quite a challenge, there were some electronics involved. Everybody had fun making the project, the stars shone very brightly that night. All the children then lit a candle and were asked to think how they could shine in the world.

Answers like being a good friend, being kind were amongst their replies.

We then look around the church shining our torches at various posters and reflected on how we had made a difference during harvest by sharing our gifts and talents raising money to help people in third world countries.

The evening ended by forming a circle outside as we all enjoyed the light from the sparklers and giving thanks to God .

Light seekers is a safe place for children age group 9 -14. We have a dedicated team of leaders, the evening is well planned with Christian themes , activities, games, crafts, special outings. We are part of an organisation called Urban Saints, for more information about urban Saints please go to the following website:
