Welcome to Weather-Above

We had another amazing night Evelyn Nadine supervised everybody making heart shaped biscuits they were very tasty. Followed by some great games organised by Simon Sutcliffe. We had a very fun evening. We made Mother's Day cards with a little unique twist to them we included a small gift voucher; on the vouchers each person wrote their own task idea that they will do on the day or thereafter when the voucher is cashed in by their mothers.

Everyone signed a valentines card, which was posted to Charlotte Atkins MP as part of our: "Be part of a Miracle" asking her to put global poverty as top priority. See, tearfund.org

To finish the evening off we made a " Miss-fit game" to take home the game consists of a fish image which we had to mix up and then rearrange by sliding one piece into an open area. Why not have a go yourselves. Right now on line click this link [Miss-fit game](#) Simon explained to everybody about the history of the Christian fish symbol.

Thank you Evelyn, Simon ,Dave from making this evening so amazing
