### ST. ANDREW'S LIGHT SEEKERS YOUTH GROUP

We were delighted to welcome Chloe and her carer to Novembers meeting.

We had a few games to warm up the evening.

Our focus for the evening was disability. We started by taking a look through several pairs of simulation glasses which gave us an idea of some of the difficulties facing people with sight problems. Eva brought along some braille documents which are used at the school where she teaches the children found this quite challenging.

The star of the evening was definitely Chloe. She talked to us about he disability and gave an overhead presentation which was packed with information to give us an insight into her world. She also shared some photos from her recent holiday abroad which we all enjoyed. Thanks Chloe we really enjoyed you being with us.

Light seekers is a safe place for children age group 9 -14. We have a dedicated team of leaders, the evening is well planned with Christian themes , activities, games, crafts, special outings.
