Welcome to Weather-Above

J Cheddleton Light Seekers What we got up to on 01/10/2010 Next Meeting is on 01/11/2010 J

What fun we had! Lots of games, thanks to Eva and James for leading these, the children loved them! Were we fair? We made muesli bars, split into two teams. One team get to eat theirs, and the others were told they must give them to the Friendship club. We looked at the ingredients, some had the fair trade symbols others were organic, all were bought locally. At the end of the evening we left a plate full of the goodies ready for the Friendship Group who really enjoyed them the next day.

It was only fair that the others were shared by all- very yummy!

We started to make a large jigsaw as a team glue on pictures from around the world we are sharing this with everyone who comes along to the One World Week event later this month. We ended the evening in prayer.

Light seekers is a safe place for children age group 9 -14. We have a dedicated team of leaders, the evening is well planned with Christian themes , activities, games, crafts, special outings.
