**Cheddleton Light Seekers** What we got up to on **06/02/2008**

J

The theme of this month is new life. We started off by playing some games we had a new addition a small dog, Daisy, she was very happy to join in the games, One of the games consisted of rolling a boiled egg across the room, only using your nose this was very funny,

We all joined in making the Easter Collage for the church, Alison joined us this evening and supervised the collage thank you Alison.

The actual egg on the collage is made up of real egg shell and a variety of seeds and dyed tissue.

We then had a chocolate Easter egg hunt, after everybody had found the chocolate we all came together and shared equally our finds.

We had a discussion about how God expresses himself in the world around us today through his creation of living life ,flowers, wind and; rain, colour, and every shape, you can think of. After the small discussion we all had a piece of paper to express our thanks to God by writing, drawing, colouring, poetry, and being still and quiet, as His presence oversaw the evening.
