Welcome to Weather-Above

The new year started with us looking back to 2007 and watching a slide show of Light Seekers and some of the activities we got up to during the year. It was great fun to see how much we had done, and remembered the people we had helped, especially being able to watch ourselves on our special big brother night. Thanks to nEva for bringing along the video.

Phil bought along a dvd of some horses competing against each other and each was given a number and you could put a chocolate in the appropriate bowl with that number on. At the end of the dvd we counted up who had the most chocolates in their numbered bowl and after getting the top score we then shared out all the chocolates - it seemed the fair thing to do.

Kath then showed them the new prayer diary from Tearfund and talked about how we can be part of a Miracle, this theme will continue throughout the year. We talked about fair trade and Robert and Holy K shared with us that their school, St. Edwards Middle, Leek, will be holding a Fair Trade chocolate evening; once we know the date it will be on the Light Seekers Page on the web site. We then all wrote some prayers connected to Fair Trade and made a prayer chain.

It was good to see Kirsty and Dave at the January meeting and we hope they can join us again when they are in the area. Thanks to Mick for setting up the computer and doing the slide show; all photos on www.weather-above.com. Thanks also to Laura and Gareth who told us about their Urban Saints holiday last year and encouraged others to go along this year with them.
