

New Start For All

How Do I Start

START With Jesus In your Life

Say

"Jesus I need you to come in to my life."

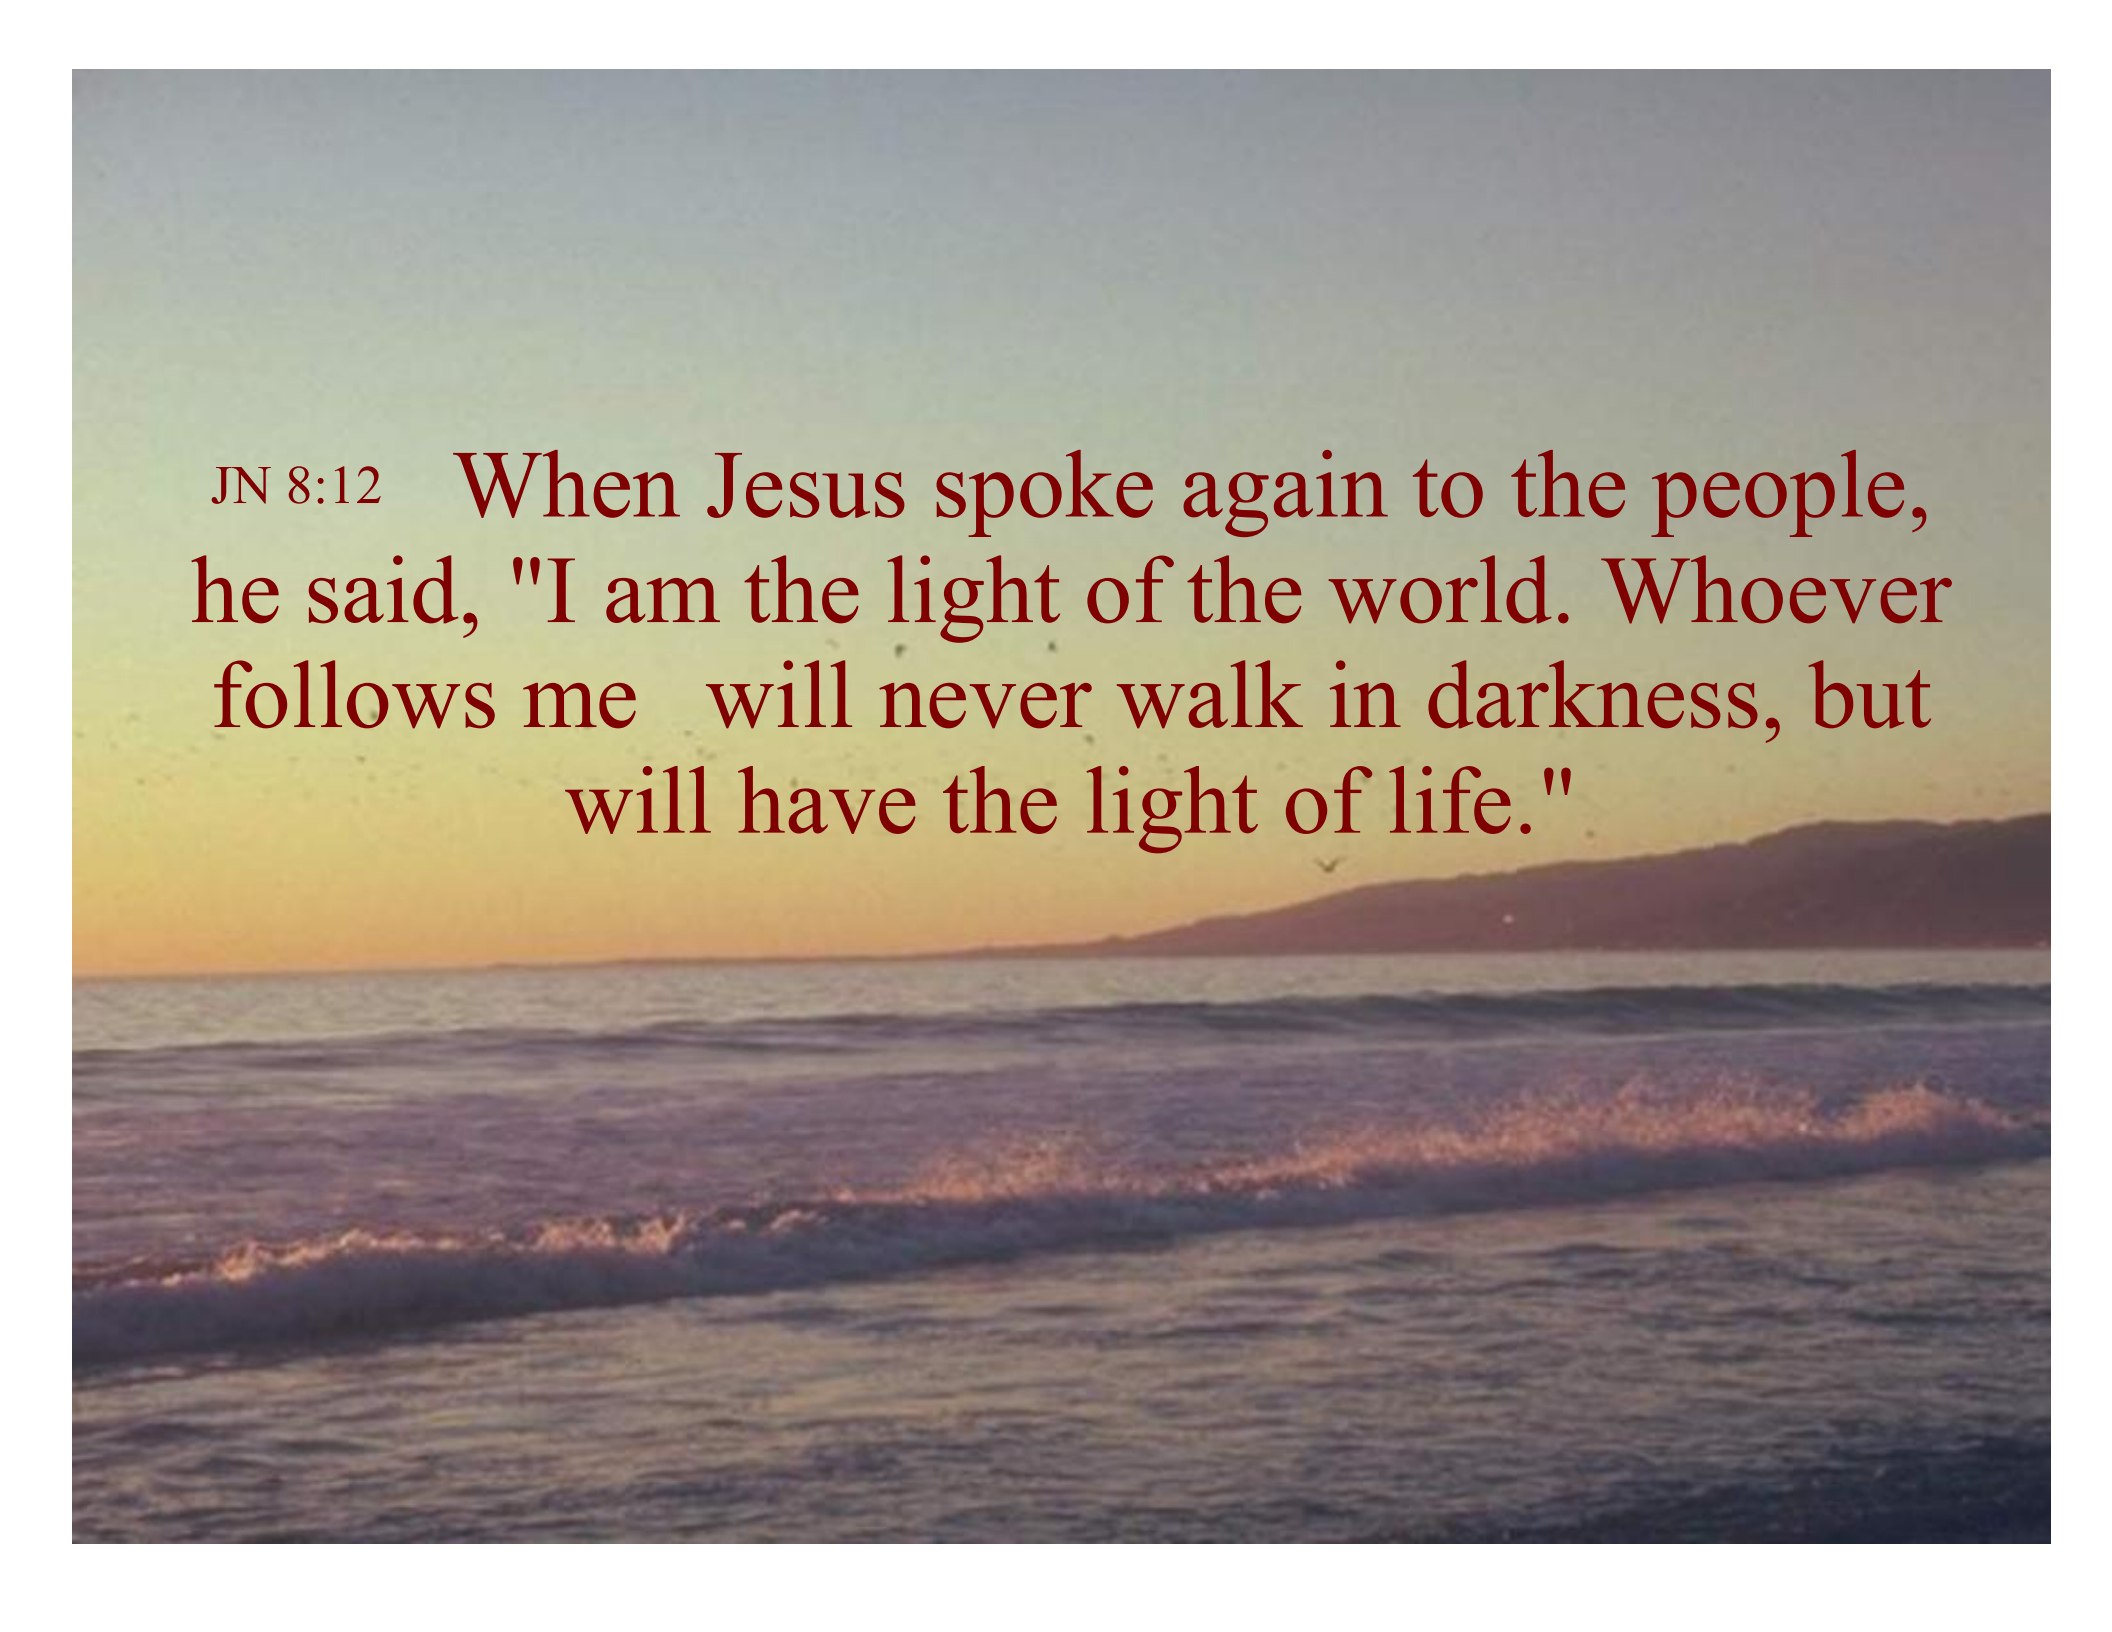

JN 6:35 Then Jesus declared, "I am the bread of life. He who comes to me will never go hungry, and he who believes in me will never be thirsty."

Say " He will protect me."

PS 91:14 "Because he loves me," says the
LORD, "I will rescue him;
I will protect him, for he acknowledges
my name."

A serene sunset over the ocean. The sky transitions from a pale blue at the top to a warm orange and yellow near the horizon. The ocean is dark blue with white-capped waves rolling in from the right. In the distance, a range of mountains is silhouetted against the bright sky. The overall mood is peaceful and contemplative.

JN 8:12 When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

**PR 3:5 Trust in the LORD with all your heart
and lean not on your own understanding;**

Say " Jesus you are the light of the world."

PS 18:28 You, O LORD, keep my lamp
burning;
my God turns my darkness into light.

PHP 4:4 Rejoice in the Lord always. I will say it again: Rejoice! ⁵ Let your gentleness be evident to all. The Lord is near. ⁶ Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. ⁷ And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

NAOMI HOLWELL'S TESTIMONY

A few years ago if someone would have asked me if I was a Christian I would have done absolutely anything possible to avoid answering the question. Now though my answer is a straight YES!and I'm loving it! ∞

I've changed an awful lot since then, I've grown so much in confidence and I've learned to just be myself, not for who the media or who my friends want me to be, but to love myself for the person God loves – the real me!

At 11, I was extremely unhappy and depressed. I used to get bullied and almost every day I woke up thinking just another day. Needless to say I was pretty messed up inside. Then one weekend I went to a Christian gathering called MAYC, I had a really fun time and started getting really interested in what some people were saying about Jesus; I'd heard it all before in church, but most of it just went over my head and I didn't really listen. Anyway, the following April I went to this other Christian gathering for a week, called Easter People. There were thousands of people there and loads of different groups to go into. The first night was brilliant, there were so many young people there who were Christians and they all had something so special and amazing, which I just didn't feel I had. That night as I listened to the speaker, I felt God speaking to me because he wanted me – little feeble me, in his family and that evening I committed my life to Jesus. **THE BEST DECISION I'VE EVER MADE.**

Since then I haven't looked back, I've gone through quite a lot and God's been there to support me in everything, through thick and thin, when I was sad or when I was happy, he's never left me. I've made mistakes and God's forgiven me because I've asked him to. With God I've grown stronger and wiser. I know I will continue to do so.

God wants everybody in his family and let me guarantee you this, it is so, so worth being in!

Prayer, add to it with your thoughts of the day.

"The light shines in the
darkness.....(John 1 verse 5)

Lord keep the flame burning in our
hearts.

Do not let us keep the glow to ourselves.
Let your love overflow pouring out onto
many .

Your peace resting on each and everyone
of us.

Thank you's
