

New Life Christian Fellowship

1. Where do you put your hope and trust? In your job, your bank account, or pension plan; perhaps in your family? The world is being shaken at the moment, jobs are ending, pension plans failing and families can let you down. Putting your hope or trust in anything of this world is futile.

If your world is being shaken and you are fearful about your future; be encouraged that there is one who give us *certain* hope - Jesus.

God says: 'I know the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future'. (Jeremiah 29 :11 - The Bible)

God gives us an incorruptible inheritance, if we put our faith in 'him' and not in the things of the world.

Our faith is in Jesus, making us sure that we will get what we hope for; and certain that our futures will be good.

Put your hope and trust in something certain today.

If you want someone to talk to, or would like us to pray for you, call: 01834 812839 or 01834 831533.

All are welcome to join New Life Christian Fellowship at Kilgetty Community Centre, 10.45 am on Sunday mornings.
