

Kilgetty's Got Talent Starts With A Bang

1. Kilgetty's Got Talent started with a bang on November 5th first session of auditions.

Taking place every Thursday in November, 7.30pm - Kilgetty Community Centre, the rehearsals commenced with ten local acts entering.

“We had a great first night with seven acts from Kilgetty / Begually, two from Lydstep and one from Haverfordwest. We have a variety of singers/groups, comedians, a flute player and a dancer. Hopefully more acts will register next week.” Said Kilgetty's Sharron Hardwick

As acts made their debut performances, glimmers of talent shone through. Two entered acts have had previous experience of the limelight; one lady was a former *X-Factor* auditionee and one girl starred in an episode of hit TV series *Doc Martin*. It was, however, one act in particular that gained the greatest response, especially from young Grace (photographed):

“Grace laughed hysterically as her Granddad sang Tom Jones' *The Green Green Grass of Home*, the only trouble was I don't think his act was meant to be comedy! He took it all in good spirits though. I think we'll see some real talent, which is exciting, but will be challenging for us judges!” Continued Sharron who is a Kilgetty's Got Talent judge, along with Radio Pembrokeshire's, Ben Stone, and youth judge Philip Evans.

A **Facebook** group for **Kilgetty's Got Talent** has been formed, showing latest news and photos. Organisers encourage anyone interested, to come along to the rehearsals and join the Facebook group. With £100, £50 and £25 prizes the opportunity to show your talent could be a challenge to good to miss!

Rehearsals continue throughout November; semi final - December 3rd; dress rehearsal - December 10th. Final Show takes place 12th December, 6pm in Kilgetty Community centre. All are welcome to watch, it is free entry, with free refreshments.
