

Kilgetty Karate Club Kick Back At Butlins

By Sharron Hardwick.

Kilgetty Shotokan Karate Club and their families visited Butlins Holiday Park in Minehead for this year's club holiday. Having worked hard raising funds for the trip during the year, the team of fifty plus travelled together to the Butlins camp on Friday 7th October.

During their three day trip they enjoyed lots of fun, with great food, and even managed to fit in some training and an interclub competition.

"We had an awesome weekend away at Butlins. Well done all students on doing their team and individual Kata's. Congratulations to the Cunningham family on winning Team Kata and Myles Jonson on winning the individual Kata. I hope you all enjoyed yourselves." said club secretary Gail Beynon.

The club has a real family feel, with lots of parents who have joined following their children's success at the club. Sensei Ian Ratcliffe, with Gail Beynon, works hard, maintaining high training and discipline standards at the club. They hold a healthy balance of training and fun, by organising events like the recent club trip.

[Bryony Cunningham](#) said: "Thank you to [Gail Beynon](#), Kilgetty Shotokan Karate and Mel Handley for organising a brilliant weekend."

Kilgetty Karate Club expressed their thanks to the local businesses and people who have supported them since they formed in 2008.

If you would like to join or to find out more about Kilgetty Shotokan Karate Club please call 07986332288 or drop in to one of the training sessions which take place in Step-Aside School Hall. Training times: 7-15pm-8.30pm on Tuesday, Thursday and Fridays.
