

I am organising an event to promote **freedom day** (details below).

We had a similar march for Make Poverty History - but this '**Walk For Freedom**' will be done in chains (real ones if I can get some, otherwise paper ones!) through Tenby's streets on the 24th March (the day before freedom day) at 11am, to raise awareness about human trafficking, promote Stop the Traffik and support Tearfund's work with vulnerable people and victims of trafficking.

The walk will be followed by craft workshops where any donations will be given to Tearfund's Children at Risk Programme.

If Amazing Grace is being shown at the local cinema on Saturday night (I have made enquires about this) we may also go and watch this as a group and ask permission to hand out leaflets before & after the film. I will keep you informed about this.

Would you be able to promote this event as you did for the MPH march please or even come and join us?

I have some posters which I can post to you, if you are interested please email and let me know or call 01834 814662.

Many Thanks

Sharron Hardwick (Tearfund's Voluntary Media Officer For Pembrokeshire)

## Saturday 24<sup>th</sup> March
