

Letter to the website manager from Tearfund Media Officer Sharron Hardwick.

On behalf of Tearfund I would like to say a huge Thank You for your tremendous support in 2008.

By publicising Tearfund appeals, promoting campaigns like: **Facebook SuperBadger** and **My Global Impact**, Weather-Above and it's visitors, have assisted Tearfund in their ten-year vision to see 50 million people released from material and spiritual poverty by 2016.

With your help we have made a good start, but the current economic crisis, not forgetting the struggles in Gaza, DR Congo and Zimbabwe; it is evident that we live in a world where poverty and injustice persist.

In 2009 Tearfund will be focusing on five main areas that we consider the fundamentals that need to be addressed in the fight against poverty:

HIV

Tackling disasters

Challenging injustice

Restoring the environment

Water and sanitation

We at Tearfund are relying on Weather-Above's continued support in 2009.

One way you can help is by getting involved with 'Global Poverty Prayer Week' on 23 February to 1 March. You can join us and be part of restoring this fallen, broken, beautiful world.

In your church groups, with your friends or at home alone, please consider **just shutting the door, and praying that our 10 year vision will become a reality. Plenty of prayer resources are available at www.tearfund.org.uk**

Together we can make a difference in 2009.

Yours Sincerely,

Sharron Hardwick – Tearfund's Media Officer For Pembrokeshire.
