

New Life Christian Fellowship

1. There was a man who never sinned. No evil thoughts. No wrong words. Perfectly pure actions.

The power of the universe in his hands and compassion in his heart, he humbly serves everyone. He brings light into dark lives. He gives hope and purpose. He challenges people's choices, always speaking out against injustice and hypocrisy. He is attentive and obedient to his loving Father.

This perfect man faced the ultimate test of Love. Someone had to pay the price for the world's evil. Because He loves the world so much, The Father asked his beloved son to spare humanity and take the punishment himself. He was born to save the world. But would he choose to take the full force of his Father's wrath?

As his sweat fell like blood, he cried out: "Father, if you will, please don't make me suffer by making me drink from this cup. But do what you want, not what I want." He had a choice, at any time he could walk away from the cup of torture.

An angel came to help him, perhaps reminding him of the prize for his suffering. Because of Love he **chose** to take the 'cup'. His **Love** paid the price.

This man is **Jesus**. The price: **the cross**. His prize is **you and me**.
