

New Life Christian Fellowship

1. There is a big difference between knowing of someone and being their friend. Good friends love to spend time talking and sharing their lives together. Simply acknowledging someone's existence does not make us their friend.

Hosts of A list parties issue personal invites: "If your name's not down, you're not coming in!"

Today you are invited to the ultimate event, but you can only enter if the host knows you. The host is the creator of the Universe; and the party is eternity with 'him' in paradise!

Being 'religious' will not get you in, nor will 'being good'. There is only one way to get your name on this A list and that is via the host, Jesus. Do you know that he loves you? He wants to be your closest friend, to adopt you into his family and reserve you a seat at his great eternal banquet.

When the thief on the cross talked to Jesus saying: "remember me." Jesus replied "I tell you the truth, today you will be with me in paradise." Luke chapter 23 verse 39 to 43.

Have you booked your place in paradise? Get to know the King of Love and open your invite today!
