

## New Life Christian Fellowship

Are you worried by the insecurities and distrust in our world? Many of us have concerns for the near future, while some people fear for what will happen after this life. Some people feel like they are in a dark prison of fear all their lives. There is a way out. If you feel fear and are ready to give up; please hear this Good News.

You are special. You are loved and you can be strengthened by the living God, who longs for you to cry out to him.

Jesus knows about suffering, he can give you strength. He was born in poverty, averting death several times before he was thirty three. He was misunderstood, homeless and constantly threatened by “religious” people. He was rejected, betrayed, beaten, whipped and killed. Yet, he cried out: “Father forgive them.” Jesus conquered fear and death, and now he lives forever.

Jesus said: "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms... I am going there to prepare a place for you....I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."( John 14:1-4 - The Bible)

Jesus is the way. Talk to Jesus as a man talks to his friend. You can have a new life, a new beginning and a guaranteed eternity with Jesus in paradise, if you come to him today.

To those first century Pharisees Jesus was worth thirty pieces of silver; to me he is priceless. What is he worth to you?
