

New Life Christian Fellowship

1. There is comfort in security. Yet, worldly security soon shatters if we are hit by one of life's bomb shells. We feel lost and alone, drowning in a sea of chaos.

There is a place which guarantees security; it is a place where life's hard knocks can not destroy you and you will never be abandoned. The hands of the creator of the universe are a safe place to shelter in the storms of life.

If you believe in Jesus, the good shepherd, he makes this promise: 'My sheep listen to my voice; I know them, and they follow me. I give them eternal life, and they shall never perish; no one can snatch them out of my hand. My Father, who has given them to me, is greater than all; no one can snatch them out of my Father's hand. I and the Father are one.' (The Bible)

Now is the time to trust in the good shepherd. Follow him and take your place in the hands of your creator. There is no other place for certain security.
