

New Life Christian Fellowship

“It's not fair!” I am sure many parents will hear these words quite often during the school holidays! Many adults feel life is not fair too.

When life throws its' missiles, we feel worn out. But there is hope: God is good and faith in him can shield us from life's attacks. Faith is believing in God's goodness, even when things are tough. Jesus says: “Come to me all who are weary and burdened and I will give you rest.” (Mathew 11:28)

Think of L.I.F.E as Living In Faith Everyday. This Faith will not give you a ticket to an easy life, but it will shield and strengthen you to face life's struggles. This Christian Faith is: believing in God's goodness and love. It is believing that Jesus is the son of God who loves us; realising and turning from our wrongs and handing over our lives to him. In this new faith we step out with the shield of God's love, which gives us hope. Takeaway the Faith from L.I.F.E and you end up living with a L.I.E. , feeling hopeless, worn out and lost.

This world need some good news. There is no better news than that Jesus loves you and wants you to follow him. Life may not seem fair, but if you want a full and contented life then remember faith in Jesus is the key.
