

New Life Christian Fellowship

Past, present future, where do you live? Do you wish you could go back in time or start all over again? Perhaps you have concerns for the near future, or fear what will happen after this life.

Some people feel like they have lived in a dark, fear prison all of their lives.

Whichever time dimension you dwell in, if you feel fear, loneliness or regret, and are ready to give up, there is a way out. Please hear this Good News.

You are special. You are loved and you can be strengthened by the living God, who longs for you to speak to him.

Jesus is timeless, the Alpha and Omega: no beginning or end. The Word of God, he is the creator of all things.

Choosing to be born as a man, he knows about suffering. Jesus can give you strength.

Born in poverty, Jesus lived simply. He was misunderstood, homeless and constantly threatened by "religious" people, he escaped death several times before he was thirty three. He was rejected, betrayed, beaten, whipped and killed.

He was always in control, he knew this was going to happen. He cried out: "Father forgive them!" and that is why he chose to die. He all paid for all our imperfections and conquered fear and death. Now he lives - forever.

Jesus said: "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms... I am going there to prepare a place for you....I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."(John 14:1-4 - The Bible)

Jesus is the way. He can deal with your past, present and future. Talk to Jesus like a friend. You can have a new life, a new beginning and a guaranteed eternity with Jesus in paradise, if you come to him today.
