

New Life Christian Fellowship

1. Do you have a dream? A deep rooted desire that has always been in your heart? God is the dream fulfiller: 'Do what the Lord wants and he will give you the desires of your heart.' (Psalm 34:4 -The Bible).

This takes a step of faith. If you believe Jesus is Lord and realise that you have done things that do not please him, you can be forgiven because Jesus paid the price for our wrongs on the cross. You start by saying sorry, but this is not the end.

God loves you. He wants you to be his child, giving everything to him and doing what he wants. Not so that he can imprison you, but so you can be free! If you hand over your life to God and ask him to take over you, he will bless and guide you. Whether life's journey is good or bad, God promises never to abandon you. As you do what God wants he begins to fulfil the "desires of your heart".

If you hunger and thirst to be right with God, you will be blessed and filled to the brim.
