

New Life Christian Fellowship

1. Words are powerful. What we say builds people up or knocks them down. Once a word is spoken it can not be taken back.

God's Word is powerful: "God means what he says. What he says goes. His powerful Word is sharp as a surgeon's scalpel, cutting through everything, whether doubt or defence, laying us open to listen and obey. Nothing and no one is impervious to God's Word. We can't get away from it—no matter what." (Hebrews 14:12 The Message)

God's Word brings life: "In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of men. The light shines in the darkness, but the darkness has not understood it." (John 1:1-4 The Bible)

Jesus is The Word. Jesus hears our words and knows our hearts. Jesus speaks light into darkness.

Isn't it amazing that, The Word – the creator of the universe, Jesus, is interested in us!? Beyond that, Jesus loves us enough to give up his heavenly throne, come to earth as a man and take the punishment for our wrongs. He did this because, he wants us to be free and perfect, like him.

If your words have offended God and others, or if other people's words have offended you, then speak to Jesus today. He is dying to hear from you.
