

New Life Christian Fellowship

“I need a make over, I wish I was more like her, I wish I could play football like him.....I'm just not good enough!” Today we face images of *perfect* (airbrushed!) models and *successful* super stars, but what's wrong with just being me? “But I'm no good at this, and even worse at that, if only I could be like them!”

It is good to have dreams, but are they *your* dreams?

Is there something you have always wanted to do, something you just might be good at? It doesn't have to be big news, just that small thing that simmers inside you.

We do not need fame to make us special. God created us all, with abilities, gifts and talents.

Consider this: the creator of the Universe knows you, he wanted you to be born, you are special to him. Do you believe it? Well there is more, there is always more with Jesus.

If you believe in Jesus, do not be discouraged by making mistakes, we all make them! God never abandons us. Start to face up to things, say sorry, put things right, move forward. God has good in store for you. He wants to use your unique characteristics and talents to do his work.

If you do not believe in Jesus, it is not too late. It just takes that first step. Jesus wants you to be part of his team. He loves you and accepts you just as you are. He can secure your place in God's family, help you to grow in faith and give you the desires of your heart. Talk to him.

When Peter saw Jesus walking on water he stepped out of the boat. Yes, he started to panic and sink, but at least he stepped out in faith; Jesus was there to keep him afloat. Faith can be risky, but it is worth stepping out for.

God has promised something good for you. Please do not settle for second best.
