

New Life Christian Fellowship

Are you lost, wandering around in circles, getting nowhere? When life's problems hit hard, we can feel hopeless. Today I say to you "There is hope!"

God loves you, has plans and a purpose for you; something special that you were created for. You may be lost, but Jesus can show you the way to a new life of hope and security. Problems do not disappear, but Jesus can be your rock, a firm foundation that keeps you grounded in life's storms, if you talk to him.

God gives direction. His ways are different to ours: God said to Joshua "I promise you....: 'Wherever you set foot, you will be on land I have given you....No one will be able to stand against you as long as you live. For I will be with you..... I will not fail you or abandon you.'" (Joshua 1:3-5)

Sounds great, but God's ways are not always straightforward! It takes faith and trust to follow him: God said "I have given you Jericho, its king, and all its strong warriors. You and your fighting men should march around the town once a day for six days....On the seventh day you are to march around the town seven times, with the priests blowing the horns. When you hear the priests give one long blast on the rams' horns, have all the people shout as loud as they can. Then the walls of the town will collapse, and the people can charge straight into the town."

They won the battle, but only because they followed God's ways; it is the same for us.

When we set out, we must put our trust in God's goodness. Things may be tough but God will never leave us alone. Joshua walked in circles, but in the end he had the victory, because he trusted and obeyed God.

Take a positive step towards hope today and start following Jesus.
