

New Life Christian Fellowship

Is there a cloud of despair, bigger the volcanic ash cloud, hanging over you? Is it stopping you from flying into your life? Sounds like you need some good news.

The last book of the Bible is full of amazing images: The Lamb on the throne, the infamous 666 anti-Christ beast, the rider on the white horse, the Bride of Christ, a new heaven and earth. All sounds very dramatic, but what does this mean for us today?

For those who believe in Jesus, it's something to look forward to:

“I heard a loud shout from the throne, saying, “Look, God’s home is now among his people! He will live with them, and they will be his people. God himself will be with them. He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever.”And the one sitting on the throne said “Look, I am making everything new!” “Write this down, for what I tell you is trustworthy and true.”...“It is finished! I am the Alpha and the Omega—the Beginning and the End. To all who are thirsty I will give freely from the springs of the water of life. All who are victorious will inherit all these blessings, and I will be their God, and they will be my children.” Revelation 21:3-7 - The Bible

Yet, those who refuse to believe face a dismal future:“...Their fate is in the fiery lake of burning sulphur...” Revelation 21:8

If you feel thirsty for life it is not too late accept God's good news. You too can follow Jesus and be part God's family. Jesus can replace despair with hope. Earthly problems will not disappear, but we are strengthened, as God's Holy Spirit lives in us.

Shining like lights, we believers can brighten up this dark world and bring God's Kingdom to earth by loving God and our neighbours, being kind, receiving and giving hope, fighting for justice and speaking up for the oppressed.

I am desperate to seeing more of God's light, breaking through people's heavy hanging clouds of despair.

If you do not believe, why not speak to Jesus, be encouraged that God loves you and wants you in His family.
