

New Life Christian Fellowship

1. Are you lonely, lost, looking for love?

Have you been heartbroken? Perhaps you have hurt others.

God gives pure love. Not sappy love that burns fast, soon fizzling out; but eternal, perfect love.

God is love.

“So why don't I feel it?!” you might ask. The answer is: you have not accepted it, God's gift of love is waiting for you to receive it!

How do we know God loves us?: “This is how much God loved the world: He gave his one and only Son.”(John 3:16)

Why?: “...so that no one need be destroyed; by believing in Jesus, anyone can have a whole and everlasting life.”(John 3:17)

How can this help us today?: “God didn't go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again. Anyone who trusts in him is acquitted; anyone who refuses to trust him has long since been under the death sentence without knowing it. And why? Because of that person's failure to believe in the one-of-a-kind Son of God when introduced to him.”(John 3:18)

What's stopping us?: “This is the crisis we're in: God's light streamed into the world, but people everywhere ran for the darkness. They went for the darkness because they were not really interested in pleasing God.”(John 3:19)

God loves you. Jesus made the way so we can be re-united with God. God wants us to love him and each other.

Don't hide in darkness, desperate for love; go to The Light, accept God's gift of love today.
