

## New Life Christian Fellowship

Whether it is socks, handmade jumpers or the latest gadget, will we be satisfied with our gifts this Christmas? Or after the unwrapping, as we lie back full to the brim with turkey and tasty snacks, will we feel a little deflated?

Sadly every year, amidst the glittering parcels, in many people's homes lies an unopened gift. The carefully prepared, perfect priceless package sits there, waiting to be opened. Imagine how the giver feels. When someone puts a lot of effort into buying the perfect gift, they feel so hurt if it is rejected!

It is not the latest toy, a box of Fair Trade chocolates, or even a diamond ring. Too costly to be purchased, this gift is free for all.

Will you receive it, open it, or leave it there under the tree for another year, casting it aside like rubbish?

God is offering you the Ultimate Gift this Christmas:

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace." [Isaiah 9:6](#)  
Don't leave this beautiful gift unwrapped any longer. Jesus, God's gift to us, is the real reason for the season waiting for you this Christmas.

New Life Christian Fellowship wish you all a very Happy Christmas!
