

## New Life Christian Fellowship

Are we ever really satisfied or is the constant need for more - newer, bigger, better - what drives us? If you had nothing, could you be happy? Are you concerned for your future, is worry knocking at your door?

Jesus gives a remedy for worry: "Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need."

Despite being materially poor, Jesus and his first followers lives were rich, and full of hope. Jesus healed the sick, raised the dead, fed the needy, calmed storms. He was satisfied to Trust the will of his Father and follow what he said, even to the point of death. (I did not say it was going to be easy!)

Sometimes they had little food, but with Jesus 2 loaves and 5 fish became a feast for 5,000. Could this happen today?

Jesus said: "I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father. And I will do whatever you ask in my name, so that the Son may bring glory to the Father. You may ask me for anything in my name, and I will do it."

Could **we** perform miracles, heal the sick, raise the dead!? That is what Jesus said - But how?

With Faith, by inviting God's Holy Spirit to work in us, by putting God's Kingdom first and living the right way. Sounds alien to worldly thinking? It is!

We need a new way of thinking, living and looking at things. God's Kingdom thinking is the answer. It is like looking through "God's eyes", focusing on God's values, perceptions and purposes; it is a matter of trust. Worldly thinking leads to emptiness, panic, greed and destruction. Godly thinking leads to freedom, kindness and love; giving lasting and total satisfaction.

We all know the prayer: "Your Kingdom come, your will be done on earth as it is in heaven...", until we grasp this thinking, we will never be truly free!

I'm going to pray "YOUR KINGDOM COME!", will you join me today?
