

New Life Christian Fellowship

1. Win the lottery, win on the horses, become rich and famous: is this what makes us happy? Maybe for a while, but the tragic lives of many rich and famous shows otherwise. Drugs, alcohol, even suicide becomes their ultimate prize. What makes us real winners?

Two fishermen gave up everything to follow Jesus. Their lives became a roller coaster ride. Radical teachings, endless miracles, Jesus' crucifixion, their own denials, Jesus' resurrection and return to heaven. With authority from God, and the gift of The Holy Spirit, they became 'fishers of men'; performing miracles in Jesus' name.

The ex-fishermen met a disabled man who depended on money for survival and happiness; they had no money to give, but offered the prize of Jesus' everlasting love. The man chose to take it; for the first time he walked. Not only that, he leapt with joy giving thanks to God. Now he was born to win!

So it should be for Jesus' followers today. It may be a bumpy ride but the finale means victory. The minute we follow Jesus, we are born to win! If life seems rough, choose Jesus and keep your eyes on the prize: his everlasting love.
