1. Do you feel weak, overwhelmed, worried; do your problems look like giants? Here is a story for you.

Picture this: A nine foot beast of a man called Goliath stomps out of the Philistine camp. Covered with impenetrable bronze armour including a helmet and a 9 stone scale armour coat and legs gilded with bronze greaves.

Goliath is tooled up with javelin and spear, it's head alone weighs a stone! The Champion challenges King Saul's soldiers, who cower in fear. This is a giant problem!

Enter the hero: David, a shepherd boy, is dismayed that his brothers cower from the enemy. He approaches King Saul saying "I will fight him." The King is troubled, "How can a young inexperienced boy fight this champion?!"

Unphased by the giant, David takes the challenge; carrying nothing but a sling and five stones.

The boy verses the beast; there seems only one out come. But David has a secret weapon:"You come against me with sword, spear and javelin but I come against you in the name of the Lord Almighty...whom you have defiled."

Running to the battle line David takes out a stone and fires it hard; it sinks into Goliath's forehead who crashes to the ground. Victory!

Next time you feel overwhelmed with gigantic problems, follow David's footsteps and face them head on with the Lord God Almighty! The victory **will** be his.
