1. Has anyone ever said: 'You are useless!?' Are you crippled by their criticisms, bound by your sense of low self esteem?

In the Bible there is an account of a disabled man who had lost all hope and self worth. Everyday he lay face down in the dust, begging for money. Jesus' apprentices responded to the man's needs, but not in the way he expected: 'Silver and gold I do not have, but what I do have I give to you. In the name of Jesus Christ of Nazareth – walk!'

They had no money to give, instead they gave him what they had, healing him in Jesus' name. This gift of health and a new life was more precious than all the wealth in the world. The man's life was turned around. Jumping up from the dust he praised God. All who knew him were amazed at his transformation.

God performs miracles today. If you feel like you are lying in the dust, believing that you are useless, then you need to be released from this lie. Handing over your problems to Jesus today could be your answer.
