Cheddleton Light Seekers What we got up to on 03/06/2008

J

Jesus teaches us to serve one another

We had a very busy time this month we started off with soap making Kath demonstrated to everybody how to make soap, we all had a great time making different shapes and decorating soap to take home. We then moved on to a competition, who could make a sailing boat out of cardboard and using a straw to blow the boat across a tray of water, everybody made some sort of sailing boat the competition was very tough and great fun.

I can only say everybody was a winner! We then move on to several games, my favourite was the river. Everybody had to jump across a river we used two ropes on the ground and everybody had to jump over the river without getting their feet wet or eaten by sharks. Each time the river got wider and wider until we had a winner, I was amazed how far everybody could jump! The next game involved water balloons we set up some plastic bottles partly filled them with water that everybody had different turns of knocking the bottles down only using a water balloons. To finish off the evening we all sat down and washed one another's hands this was based on the act of Jesus washing his disciples feet and the Bible passage was read out by one of the group. We had a short discussion on Jesus's example and how we are called to serve one another as he has taught us.

13 "You call me 'Teacher' and 'Lord', and rightly so, for that is what I am. 14 Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. 15 I have set you an example that you should do as I have done for you.

John 13:13-15 New International Version
